Spring activities discussed: Zach brought his finished poster and it is amazing. Boxes were made for the mall and main campus. Students divided

The many snow days and delays have made this semester difficult to plan activities. Rod suggested we sponsor a movie night for NRCC students and their families. We will make popcorn and sponsor the one at the main campus on April 26 at 7pm with Kappa Pi since we have many of its members as well and the Multicultural club will take care of the mall site.

Food was pot luck with students bringing snacks and the club providing drinks.

Next meeting:

Our last meeting is scheduled for April 18 where we will finalize the movie night and see how the food drive is going.
