Course Description

Introduces sculptural concepts and methods of production in traditional and contemporary media. Includes clay, plaster, wood, stone, metal, plastics and terra cotta. May include field trips. Prerequisite Art 131. Lecture 2 hours. Studio instruction 3 hours. Total 5 hours per week.

Course Objectives

Each class will begin with lectures, demonstrations and occasional handouts and short videos. Students will create sculpture and installations using additive, manipulative, substitutive and subtractive methods with multiple materials. Students will be able to create interesting and unique solutions to the inherent complications of sculpture as they construct their own conceptual platforms.

Course Content

Sculpture II focuses on 20th century sculptors and their works. Sculpture II follows the Modernist movement from *Geometric Abstraction* to *Installation Art* and will provide the opportunity for numerous hands-on original sculpture projects using clay, paper, wire, wood, plaster, recycled materials and foam-core. Students will deal with issues such as form, space, light, line, texture, color and movement as they create original work.

Textbook: No textbook required.

Materials:

Flour

18, 20 or 22 gauge wire

Smock or old button down shirt

Polymer clay

Geometric cubes of Styrofoam (if option used)

*Materials for glass and clay projects can be ordered in bulk and the fees divided equally among the group. It will cost approximately \$120-\$180

Evaluation

Portfolio, Attendance and Critique 100%

Portfolios/Assignments

Portfolios will be collected throughout the semester. Cumulatively, the portfolio will expand with each due date. Late portfolios will be graded down one letter grade for each class period late.

Critiques

Students will present their portfolios to the instructor and the rest of the class and participate in a classroom critique of their own work and the art of the other students. It is important to give and receive feedback, as art is visual communication. We need to experience the richness of insights that are possible in a group setting. Your classmates are capable of sharing a wealth of insight regarding how to improve your work and what might be holding you back from achieving your best.

Attendance and Make-up Policy

Regular attendance is required. Late assignments will receive a lowered grade according to how late it is. In the extreme, missing more than 4 classes will result in an immediate failure.

Cheating Policy

Students who are caught cheating on any assignment will be given a zero and may be withdrawn from the class at the instructor's discretion...this means plagiarism too.

Electronics Policy

Cell phones (any type) and pagers are considered disruptive to the classroom learning experience. If a student appears to be more interested in their electronic device than the lecture or group discussion, (s)he will be asked to leave the classroom as (s)he is representing a bad example for the rest of the students in class. Electronics stored away, not in view of instructor, will assure that there will be no confrontations or misunderstandings.

Withdrawal Policy:

Student Initiated Withdrawal Policy

A student may drop or withdraw from a class without academic penalty during the first 60 percent of a session. For purposes of enrollment reporting, the following procedures apply:

- a. If a student withdraws from a class prior to the termination of the add/drop period for the session, the student will be removed from the class roll and no grade will be awarded.
- b. After the add/drop period, but prior to completion of 60 percent of a session, a student who withdraws from a class will be assigned a grade of "W." A grade of "W" implies that the student was making satisfactory progress in the class at the time of withdrawal, that the withdrawal was officially made before the deadline published in the college calendar, or that the student was administratively transferred to a different program.
- c. After that time, if a student withdraws from a class, a grade of "F" or "U" will be assigned. Exceptions to this policy may be made under documented mitigating circumstances if the student was passing the course at the last date of attendance.

A retroactive grade of "W" may be awarded only if the student would have been eligible under the previously stated policy to receive a "W" on the last date of class attendance. The last date of attendance for a distance education course will be the last date that work was submitted.

Late withdrawal appeals will be reviewed and a decision made by the Director of Student Services.

No-Show Policy

A student must either attend face-to-face courses or demonstrate participation in distance learning courses by the last date to drop for a refund. A student who does not meet this deadline will be reported to the Admissions and Records Office and will be withdrawn as a no-show student. No refund will be applicable, and the student will not be allowed to attend/participate in the class or submit assignments. Failure to attend or participate in a course will adversely impact a student's financial aid award.

Instructor Initiated Withdrawal

A student who adds a class or registers after the first day of class is counted absent from all class meetings missed. Each instructor is responsible for keeping a record of student attendance (face-to-face classes) or performance/participation (DE classes) in each class throughout the semester.

*When a student's absences equal twice the number of weekly meetings of a class (equivalent amount of time for summer session), the student may be dropped for unsatisfactory attendance in the class by the instructor.

*Since attendance is not a valid measurement for Distance Education (DE) courses, a student may be withdrawn due to non-performance. A student should refer to his/her DE course plan for the instructor's policy.

*In accordance with the No-Show Policy, a student who has not attended class or requested/accessed distance learning materials by the last day to drop the class and receive a refund must be withdrawn by the instructor during the following week. No refund will be applicable.

*When an instructor withdraws a student for unsatisfactory attendance (face-to-face class) or non-performance (DE class), the last date of attendance/participation will be documented. Withdrawal must be completed within five days of a student's meeting the withdrawal criteria. A grade of "W" will be recorded during the first sixty percent (60%) period of a course. A student withdrawn after the sixty percent (60%) period will receive a grade of "F" or "U" except under documented mitigating circumstances when a letter of appeal has been submitted by the student. A copy of this documentation must be placed in the student's academic file.

*The student will be notified of the withdrawal by the Admissions and Records Office. An appeal of reinstatement into the class may be approved only by the instructor.
