Tuesday Oct 25, 2017

Attendance: Carrie Scott, Morgan Short, Heather Amtower, Brooklyn Jackson, Aliyah Fowlke, Taylor McCroskey, Ashlyn Spence, Connie Zeller.

### Minutes

- Refreshments were served.
- Officers are responsible for writing the invitations to our 12 new members. The initiation will take place in the afternoon of December 5 so as many members can attend.
- New members will continue to make signs for the group project.
- Holiday cards were distributed to all members to give out and encourage the student body to write holiday cards to active service men overseas during the holidays. They will not be sealed and the messages may be religious. Appropriate cards will be sent to appropriate service men by the organization. All cards must be turned in by December 8 to ensure their delivery to the men and women.
- Taylor decorated a pumpkin for the club contest. If we win, we get a free lunch provided by SACs for our initiation.

### Summary:

Get cards back by initiation evening, send invitations to new members, think of service projects for the next semester.
