Final Exam	15-20%

NOTE: Evaluation policies will vary according to individual instructors. Instructors will distribute their specific policies to each class at the beginning of the semester.

B. The following grading scale will be used:

S = Satisfactory = 75% course average or higher

U = Unsatisfactory = 74% course average or lower

R = Reenroll (an "R" grade may be given to students who are making satisfactory progress but who need more time to master the course objectives).

VIII. Attendance

Regular attendance in classes is required. When absence from a class becomes necessary, the student is responsible for work missed. Specific attendance requirements are determined by individual instructors.

IX. Cheating Policy

Cheating includes:

1. Giving or receiving information pertaining to tests; and
2. Plagiarizing, which is defined as taking and using as one's own the writing or ideas of another. (Definition adapted from the American Heritage Dictionary.)

Any student found cheating on an assignment will receive, at a minimum, a grade of zero for that assignment with no opportunity to make it up. Blatant plagiarism can result in a grade of "F" for the course.

Personal electronic devices cannot be accessed during final exams, tests, and/or other assignments as indicated by the instructor.

X. Withdrawal Policy

Student Initiated Withdrawal Policy

A student may drop or withdraw from a class without academic penalty during the first 60 percent of a session. For purposes of enrollment reporting, the following procedures apply:

- a. If a student withdraws from a class prior to the termination of the add/drop period for the session, the student will be removed from the class roll and no grade will be awarded.

- b. After the add/drop period, but prior to completion of 60 percent of a session, a student who withdraws from a class will be assigned a grade of “W.” A grade of “W” implies that the student was making satisfactory progress in the class at the time of withdrawal, that the withdrawal was officially made before the deadline published in the college calendar, or that the student was administratively transferred to a different program.
- c. After that time, if a student withdraws from a class, a grade of “F” or “U” will be assigned. Exceptions to this policy may be made under documented mitigating circumstances if the student was passing the course at the last date of attendance.

A retroactive grade of “W” may be awarded only if the student would have been eligible under the previously stated policy to receive a “W” on the last date of class attendance. The last date of attendance for a distance education course will be the last date that work was submitted.

Late withdrawal appeals will be reviewed and a decision made by the Coordinator of Admissions and Records.

No-Show Policy

A student must either attend face-to-face courses or demonstrate participation in distance learning courses by the last date to drop for a refund. A student who does not meet this deadline will be reported to the Admissions and Records Office and will be withdrawn as a no-show student. No refund will be applicable, and the student will not be allowed to attend/ participate in the class or submit assignments. Failure to attend or participate in a course will adversely impact a student’s financial aid award.

Instructor Initiated Withdrawal

A student who adds a class or registers after the first day of class is counted absent from all class meetings missed. Each instructor is responsible for keeping a record of student attendance (face-to-face classes) or performance/participation (DE classes) in each class throughout the semester.

When a student’s absences equal twice the number of weekly meetings of a class (equivalent amount of time for summer session), the student may be dropped for unsatisfactory attendance in the class by the instructor.

Since attendance is not a valid measurement for Distance Education (DE) courses, a student may be withdrawn due to non-performance. A student should refer to his/her DE course plan for the instructor’s policy.

In accordance with the No-Show Policy, a student who has not attended class or requested/accessed distance learning materials by the last day to drop the class and receive a refund must be withdrawn by the instructor during the following week. No refund will be applicable.

When an instructor withdraws a student for unsatisfactory attendance (face-to-face class) or non-performance (DE class), the last date of attendance/participation will be documented. Withdrawal must be completed within five days of a student's meeting the withdrawal criteria. A grade of "W" will be recorded during the first sixty percent (60%) period of a course. A student withdrawn after the sixty percent (60%) period will receive a grade of "F" or "U" except under documented mitigating circumstances when a letter of appeal has been submitted by the student. A copy of this documentation must be placed in the student's academic file.

The student will be notified of the withdrawal by the Admissions and Records Office. An appeal of reinstatement into the class may be approved only by the instructor.

IX. Disability and Diversity Statements

If you are a student with a documented disability who will require accommodations in this course, please register with the Disability Services Office located in the Advising Center in Rooker Hall for assistance in developing a plan to address your academic needs.
