REGISTRATION/TUITION
Registration for spring semester begins Tuesday, November 30. You can register for your classes and delay payment until Wednesday, January 12. Keep in mind, though, that you must pay for those classes by January 12 or your classes will be deleted. After January 12, you'll need to pay the same day you register.

Please see your advisor or counselor and register for your classes through the college's online system.

If you are unsure of the remaining balance of your anticipated aid after you register for classes, you may call the Financial Aid Office. Then you can pay the balance of your tuition and fees online with a credit card or by going to the Business Office with cash, check or credit card (MasterCard, Visa or American Express). Please be aware that if your enrollment status changes, you may owe money toward your tuition.

BALANCE CHECKS
Your student account will be electronically credited with financial aid and/or loan funds. This means that any charges you owe the college, such as tuition, fees and bookstore charges, will be paid from your approved award first. Any remaining balance will be mailed to you from Richmond. The target date for mailing these checks is early April, but this date is tentative and cannot be guaranteed. You should plan accordingly.

Please be sure your mailing address is correct and up-to-date in the Admissions Office.
Scholarship students, please contact the Foundation Office if your address changes.

NOTE: Financial aid cannot be received at two institutions in the same term.
