

New River Community College Board
Building and Sites Committee Meeting

MINUTES

December 3, 2020

The meeting of the NRCC College Board Building and Sites Committee was held on Thursday, December 4, 2020 at 2:00 p.m. via Zoom videoconferencing. Meeting was held electronically due to COVID-19 restrictions.

COMMITTEE MEMBERS PRESENT

Mr. Bill Cunningham – NRCC College Board Member – Pulaski County
Dr. Peggy Dewald-Link – NRCC College Board Member - Floyd County
Mr. Jonathan Sweet – NRCC Board Member – Pulaski County

STAFF PRESENT

Ms. Angie Covey, Executive Director of NRCC Educational Foundation
Mr. John Van Hemert, Vice President for Finance and Technology

Mr. John Van Hemert called the committee meeting to order via Zoom at 2:00 p.m.

During the College Board meeting held on September 14, the Building and Sites Committee recommended adding photos and a brief description of all individuals who have had college buildings/facilities named after them to the wall near the Admissions Office. The recommendation was approved by the College Board. The Beautification Committee was asked to meet to discuss logistics and report back to the Committee and full Board at the December meeting.

Ms. Covey presented the Beautification Committee's suggested plan which would include adding an acrylic plaque beside the name plaque in each building and classroom that is named for an individual. This plaque would include a photo and brief description of the person for whom that facility was named for. She stated that another suggestion from the Board was to include plaques in the Admissions Office area in Rooker Hall. She stated that most students do not enter this area due to the convenience of online processes. She noted the committee suggested adding these to the administration wing of the college.

After a discussion, Dr. Dewald-Link made a motion to accept the presentation of the Beautification Committee in terms of acrylic plaques designating more information the individuals for whom facilities are named. The motion carried a proper second and was unanimously approved by the committee.

There being no further business, the meeting was adjourned at 2:20 p.m.

Respectfully submitted,

Kathy Ridpath
