I will be happy to assist as the Liberty University liaison for the GAA and as a point of contact for LU degree requirements.

Students seeking the Guaranteed Admissions Agreement (GAA) will need to apply to LU, submit all the necessary documentation (including official transcripts, CLEP & AP scores), and go through the normal admissions process. Once all official documentation has been received and evaluated, students can contact me directly for me to look into GAA eligibility.

This is our [GAA page](#) with more detailed information. Please let me know if you have any additional questions.

I look forward to working with you.
